

We CANNOT accept unlock requests over the phone. To obtain your unlock code in a timely fashion please complete the following information and **FAX** your request to **(888) 741-3132** or **E-MAIL** your request to unlocks@worldwideinformation.com

(Please note that unlock requests can take up to 36 business hours to complete, however we work diligently to try to return requests the same day, or following morning. MA discs must be unlocked before use. For all other states, we recommend unlocking your disc prior to the 10-day expiration period.)
